

Online Banking QuickBooks Online Edition Conversion Instructions

QuickBooks Online Edition (QBO)

Introduction

As **Happy State Bank** completes its system conversion to join the **Centennial Bank** family, you will need to modify your QuickBooks Online Edition settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your **new** User ID and Password for HappyBank.com

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

Documentation and Procedures

Conversion – Information only

QuickBooks Online data is stored on Intuit servers in the cloud. Since we update your records with every change, we cannot restore your file to a previous point in time.

QuickBooks Online automatically updates your selected version so you are always on the latest release.

IMPORTANT: QuickBooks Online edition connectivity services may be interrupted up to 3-5 business days after the conversion is complete.
